

# **JBLM Current Conditions**

## **UPDATE**

Roads, Weather & Alerts

ROAD CONDITIONS ARE:	<b>GREEN</b>
----------------------	--------------

UPDATED AS OF:	<b>2100 HRS 07 November 2010</b>
----------------	----------------------------------

For additional guidance and information military personnel should follow the instructions of their chain of command. Madigan Army Medical Center personnel should call the medical center information hotline at 253-968-3102 or 800-544-3298, option 5 or visit the Madigan web site. To find out about road conditions at Fort Lewis, call (253) 967-1733 for a recorded message. Additional Information: AM 1500 RadioCommand Information Channel 21 Operational Hotline: 253-967-1733

Due to the recent increase in traffic volumes along I-5, the DES has opened Mounts Road Gate for in-bound traffic only. The hours of operation are 0500 - 0800, Monday - Friday. The gate will not open on Federal Holidays and DONSAs.

This gate is opened to allow traffic destined for JBLM, which is traveling east on Mounts Road (heading towards I-5), to avoid having to enter I-5. Traffic traveling west on Mounts Road (coming from I-5) will not be allowed to turn left and enter this gate.

Traffic entering Mounts Road Gate will follow the range road to Center Gate which is located adjacent to the Regional Confinement Facility. Security Officers will be posted at that location to verify ID before allowing access into the cantonment area.

This gate is for use by authorized ID Cardholders only and vehicles must have a DoD decal.
